Kilbix the Miroslav - State of National Preservation and Protection of National Castle			
Project Name: Kilbix the Miroslav - State of National Preservation and Protection of National Castle		Project Number: CHWB	
Project Leader: Kilbix the Miroslav		Project Manager: Kilbix the Miroslav	
Project Start Date: 2023-01-01		Project End Date: 2023-12-31	
Project Status: In Progress		Project Phase: Phase 1	
Project Description: The project aims to restore and preserve the historical site of Kilbix the Miroslav, which is a significant part of the country's cultural heritage. The project will involve archaeological excavations, structural repairs, and the creation of a museum to showcase the site's history.		Project Budget: The project has a total budget of 10 million Czech Koruna (CZK). The budget is divided into three main categories: archaeological excavations (3 million CZK), structural repairs (4 million CZK), and museum creation (3 million CZK).	
Project Progress: The project is currently in the planning phase. The archaeological excavations have not yet begun. The structural repairs are being planned and the museum creation is in the early stages.		Project Risks: The project faces several risks, including the potential for weather-related delays, the possibility of finding more significant archaeological remains than expected, and the risk of budget overruns.
